OW-CASEMENT SASHED

Technical drawing of octagonal window OW 0606. The drawing shows the window frame with dimensions: R.O. 24 3/8" (top and bottom), O.S.M. 23 5/8" (left and right).

OW 0606

Technical drawing of octagonal window OW 0707. The drawing shows the window frame with dimensions: R.O. 28 5/16" (top and bottom), O.S.M. 27 9/16" (left and right).

OW 0707

Technical drawing of octagonal window OW 0808. The drawing shows the window frame with dimensions: R.O. 32 1/4" (top and bottom), O.S.M. 31 1/2" (left and right).

OW 0808

Technical drawing of octagonal window OW 0909. The drawing shows the window frame with dimensions: R.O. 36 3/16" (top and bottom), O.S.M. 35 7/16" (left and right).

OW 0909

Technical drawing of octagonal window OW 1010. The drawing shows the window frame with dimensions: R.O. 40 1/8" (top and bottom), O.S.M. 39 3/8" (left and right).

OW 1010

Technical drawing of octagonal window OW 1212. The drawing shows the window frame with dimensions: R.O. 48" (top and bottom), O.S.M. 47 1/4" (left and right).

OW 1212

OW-35mm FRAME

Technical drawing of octagonal window OW 0606. The drawing shows the window frame with dimensions: R.O. 24 3/8" (top and bottom), O.S.M. 23 5/8" (left and right).

OW 0606

Technical drawing of octagonal window OW 0707. The drawing shows the window frame with dimensions: R.O. 28 5/16" (top and bottom), O.S.M. 27 9/16" (left and right).

OW 0707

Technical drawing of octagonal window OW 0808. The drawing shows the window frame with dimensions: R.O. 32 1/4" (top and bottom), O.S.M. 31 1/2" (left and right).

OW 0808

Technical drawing of octagonal window OW 0909. The drawing shows the window frame with dimensions: R.O. 36 3/16" (top and bottom), O.S.M. 35 7/16" (left and right).

OW 0909

Technical drawing of octagonal window OW 1010. The drawing shows the window frame with dimensions: R.O. 40 1/8" (top and bottom), O.S.M. 39 3/8" (left and right).

OW 1010

Technical drawing of octagonal window OW 1212. The drawing shows the window frame with dimensions: R.O. 48" (top and bottom), O.S.M. 47 1/4" (left and right).
