

1470_Casement-Fixed-M-Elevation - Metric

Figure 1 is a detailed grid of 1000 small diagrams, organized into 10 rows and 100 columns. Each cell contains a small diagram of a rectangular arrangement of dots, with the number of rows (R) and columns (C) indicated. The diagrams are arranged in a grid where the number of rows (R) increases from 1 to 10, and the number of columns (C) increases from 1 to 100. The diagrams are arranged in a grid where the number of rows (R) increases from 1 to 10, and the number of columns (C) increases from 1 to 100. The diagrams are arranged in a grid where the number of rows (R) increases from 1 to 10, and the number of columns (C) increases from 1 to 100.
